

**Crops(s)**                    **Ornamentals**

**Disease(s)**                **Grey mould (*Botrytis*)**

Resistance management strategy for:

<b>Group 2</b>	Dicarboximide;
<b>Group 9</b>	Anilinopyrimidine (AP);
<b>Group 9+12</b>	AP + phenylpyrroles;
<b>Group 11</b>	Quinone outside inhibitor (QoI);
<b>Group 11+3</b>	QoI + Demethylation inhibitors (DMI); and
<b>Group 17</b>	Hydroxyanilide.

### Guidelines:

1. If three or fewer Botrytis fungicide sprays are applied per season, use only one spray containing a **Group 9** fungicide (including **9+12**). If four to six sprays are applied per season, use a maximum of two sprays containing **Group 9** fungicides. If seven or more sprays are applied per season use a maximum of three sprays containing **Group 9** fungicides.
2. **Do not** apply more than two consecutive sprays of a **Group 2, 9, 11, 12 or 17** fungicides.
3. No specific resistance management strategy has been developed for low-risk fungicides, including those in **Group M** and **BM**. These products should be included in a management strategy as per label recommendations.

### Please note:

This strategy is a guide only and does not endorse particular products, groups of products or cultural methods in terms of their performance. Always follow the product label for specific use instructions. While all effort has been made with the information supplied in this document, no responsibility, actual or implied, is taken for the day to day accuracy of product or active constituent specific information. Readers should check with the Australian Pesticides and Veterinary Medicines Authority's product database for contemporary information on products and actives. The database can be sourced through [www.apvma.gov.au](http://www.apvma.gov.au). The information given in this strategy is provided in good faith and without any liability for loss or damage suffered as a result of its application and use. Advice given in this strategy is valid as at 14 July 2023. All previous versions of this strategy are now invalid.
